### KEY NOTE SPEAKER: JIM MORRIS

INSPIRATION FOR WALT DISNEY'S  
FILM "THE ROOKIE."

Jim Morris was born in January 19, 1964 into a nomadic naval family that would move 29 times during his childhood. Along with a difficult relationship with his father, this nomadic experience made Jim insecure, withdrawn and his transition into adulthood difficult. Fortunately, Jim had two saving graces as a child (1) a love for baseball that enabled him to gain respect from others wherever the family went and (2) his relationship with his grandfather Earnest Morris, who became Jim's role model in life. Nevertheless, Jim struggled with decisions about relationships and career and failed as a professional baseball player because of immaturity and injuries.

Once retired from baseball, Jim went to Angelo State in Texas and got his degree in kinesiology and psychology and became a science teacher and high school baseball coach. He also got married and started a family. He loved his job and his family but he continued struggling with issues of unfulfilled potential and happiness. Jim just couldn't figure out how to put his life together.

When coaching his Texas high school baseball team in 1999, Jim had an epiphany: he was too focused on himself instead of helping others. Jim buried himself in his work, throwing batting practice to his rag tag team, but they couldn't hit the pitches of their 35 year old baseball coach! They responded by telling Jim that he needed to go tryout for a big league club. In an effort to motivate his rag-tag team, Jim made a bet with his kids: if you win a district championship, I will go tryout for a big league team. The bet was born. And with it so was Jim Morris.

The players won the district championship and Jim fulfilled his end of the bet, going to a tryout and throwing 12 consecutive pitches 98 miles per hour! Three months later, 35 year old school teacher Jim Morris was striking out big league hitters in front of his high school players and family. Jim's meteoric rise from 35 year old high school teacher to flame throwing major league pitcher in 3 months made cinematic history with the release of "The Rookie" starring Dennis Quaid. This heartwarming and unforgettable Disney blockbuster about chasing your dreams and keeping your promises won the ESPY for Sports Film of the Year. Sports Illustrated also voted it one of the five greatest baseball films ever made. Jim has been a public speaker for 10 years and has participated in such prestigious speaking events as The Million Dollar Round Table, numerous other speaker showcases, and he is also the author of "The Rookie."

Jim Morris is living proof that you can totally transform your life and your business if you put others first and find a mentor in life. No longer living in silence, Jim is the best inspirational speaker around. We hope you enjoy how he draws on his own life experiences to inspire others to become leaders and mentors in life and business and that you find his story compelling and entertaining!

Dear Sir or Ma'am,

Thank you so much for considering a partnership with Project Hope Recovery Center and Saving Grace Women's Home! We are fast approaching our Annual Charity Banquet that will be hosted at The Island by Hotel RL in Fort Walton Beach, FL on November 1st, 2020. The name of this year's banquet is "Hope 2 The Coast", with our Keynote Speaker being Jim "The Rookie" Morris.

We are reaching out to our surrounding community in hopes of support through our Banquet Journal sales and Silent Auction donations. Our Silent Auction will help to raise thousands of dollars to meet the needs of the men and women that are currently in our program as well as those that enter in the coming months. With the donation of your service or item we would be able to assist someone that otherwise would not be able to afford to get help. Last year we were able to raise over \$20,000 from our Silent Auction and Banquet Journal alone!

Our mission at Project Hope & Saving Grace is to rescue men and women that are stuck in the cycle of addiction and abuse. We currently have three facilities in Houston, TX in order to serve the needs of Okaloosa & Walton County. We offer FREE care for the duration of the 1-year program that we have in place, and we rely on the support of our surrounding community in order to meet the financial needs of those that are hurting.

For any individual or business that makes a donation towards our banquet we will recognize them on our Sponsorship Board, our Facebook page, as well as in our Banquet Journal; which will be put into the hands of over 500 people attending our banquet this year. Title sponsors will also be recognized in our Monthly Newsletter with over 5,000 recipients. We are a recognized 501 (c)-3 organization, and as such we would be happy to provide you with an in-kind receipt at your request. (EIN # 46-2504905)

Thank you for helping us to fuel the mission of Project Hope & Saving Grace in our community!
